FEBRUARY 2009

February Fizzer...

Just as well we build cancellations into the year – what a way to start!

Summer has really not been much to talk about with below average conditions for most of the time. Why didn't we know all you had to do was call a club day to spike the conditions – too bad the wind came with it!

After scouring the beach and having reports phoned in from other beaches, it was decided to have a nice breakfast and deal with the official duties of electing the new Committee for 2009.

The hearty sportsman's breakfast of rissoles, sausages and salad, washed down with lashings of soft drink, put us all in good stead for what was ahead.

The pres declared the positions all open starting with his. (*I was sure I could hear his car idling in the car park ready for a quick getaway*). The crowd erupted with chants of silence and the pres wondering where Jeff Kellie got to – as that was his nomination for a successor.

Next up the treasurer brought us up to speed as to the financial position of the club, we must be all right as the fees have not changed this year again, and what a bargain it is – \$45.00 certainly goes along way.

After kicking the sand around looking for 5-cent pieces each time a position was announced – there was a roar of applause as the final committee was decided for the year – all except one, the Publicity and Sponsorship director.

The Publicity and Sponsorship director is an integral position within the club and the reason why we only pay \$45.00 a year to surf, have a BBQ every month and get a T-shirt as well. It is also one of the main reasons behind the success of our two major comps.

The Magoo charity classic, which has raised over \$150,000 dollars for central coast health, and the Central Coast Open.

Do you think you can fit the bill, throw your hat in the ring and become the Publicity and Sponsorship Director!!

On the subject of the Magoo this is a big celebration, he is about to turn 80 years of age, an achievement in itself, but to surf for fun and competitively is totally unique. The comp has been running for 10 years and has a reputation of being one of the premier events on the longboard calendar.

As we would like this Magoo to be the best ever – the committee would like every club member to get three sponsors each, not many really! And it all adds up, large or small, it can be your local shops or Macquarie Bank if you have the contacts. The pres will elaborate at our next club round.

To all the new members welcome to the CCMB – I am sure you will enjoy your time with the club, anything you need to know please see any of the committee members or someone who looks like he vaguely knows how things work – I myself have perfected the illusion of looking capable.

The new committee for 2009

President	Jeff Kellie
Vice President	Dave Jones
Treasurer	Greg Byrne
Secretary	Marshall Duncan
Public Officer	John Fraser
Club day contest director	John Fraser
