MARCH 2009

march mayhem...

The March club round was a great turnout, over 40 competitors turned up for our first round up north.

There was enough swell around we just had to find a bank so we headed up beach further north to the next car park and found a contestable peak, in the early rounds with the high tide there were a few nice waves to be had, patience and wave selection was the key, it was great to see the new crew of young guys and girls getting out there.

Later in the day into the second rounds the conditions became really challenging with the low tide turning the banks into a smash up derby it was no longer about patience more about how to get a wave to the beach with your board in one piece, there was only one casualty for the day, sojo putting an almighty crease in his new board.

Just a quick reminder to all members at the end of your heat lie down on your board on the way in or at least remove your coloured rash vest, it confuses the judges as to who is in the heat just starting.

Congratulations to the winners on the day and with these sorts of turnouts we are guaranteed another successful year.

The day finished up with a great feast put on by nicco and his trusty helpers and topped a great day, by the way Wak the chilli supply needs replenishing!

For all the new members at the end of the day we have a raffle with great prizes so stick around gotta be in it to win it!

The Surfshop at Erina has been very generous again this year with monthly gift vouchers for the raffle and discounts at the shop in Fountain Plaza at Erina.

They have an extensive range of all surfing wares at great prices.

So for your surfing needs get on down there, or check out their website, also let them know you are a member of the CCMB, our sponsors always like to know that they are appreciated and being supported.

They are also running a competition currently buy a wetsuit at the surfshop and go into the draw to win a custom short board and a selection of 5 wetsuits to cover all the seasons of the year, drawn 8/8/09.

Also the dangerous when wet company (www.dwwsurf.com) based in Avoca has swung their support behind the Magoo and cater for your board bags & legrope needs so check out the weblink on the CCMB site or go direct and phone Ben on 0409 693 205

The Magoo is fast approaching so its time to put your sponsor skills to the test.

Remember if we can all aim to get three sponsors for this great charity event we will be able to donate a substantial amount to Central Coast Health to help the fight against Cancer. Time is running out so get in contact with Jeff and Sojo to see how you can assist.

See you all at Avoca on the 19th 7.00AM sharp at the shark Tower.
